## **6 SYSTEM POLICY AND CLASSIFICATION OF SYSTEMS**

**THE BFI DISCIPLINARY CODE, 2025 (AMENDED)** effective from 1<sup>st</sup> January 2025 will be implemented for all events mentioned below. There will be official Disciplinary Committee Observer and Yellow Cards will be given for violating the Disciplinary Codes

**"BFI System Policy 2021"** will be followed. The policy can be found on BFI web site <https://bfi.net.in/bfi-national-policies/> or on Tournament Web Site [BFI System Policy](#) note that the main events of the championship (Team of Four – Ashok Ruia Gold & Mall of the Millenium Match Point Pairs) have been categorized as **Category 1 Events**.

### **Use of Innovative Systems & Special Methods**

It has been observed that several Indian and overseas partnerships participating in National Premier events use complex, customized agreements. Non-disclosure of such methods places opponents at a significant disadvantage, making it difficult to prepare appropriate defenses. To address this, the Bridge Federation of India has adopted a progressive approach to system regulation.

The BFI Executive Committee may permit the use of innovative systems and special methods in:

- Gold events in National Championships, and
- International events conducted in India.

1. The Addendum to the BFI System Policy, 2021 shall apply to all events except the **Team of Four Gold event**.
2. Partnerships playing **HUM, Brown Sticker conventions, RED systems**, or any specialized developed conventions in Gold events must submit their Convention Cards on the BFI website.
3. Submitted cards and system details will remain available online for reference by Tournament Directors and players.
4. Any system infringement may result in score adjustments, if deemed appropriate by the Tournament Director or the Review Committee.
5. Players must keep their Convention Cards and system details updated on the BFI website whenever any changes occur.

The Ruia Silver Teams, Ashok Ruia Senior Teams, Strata MP Pairs, and other IMP Pairs (Mixed, Women, Senior) event of the tournament are categorized as **Category 2 event** and the use of **HUM systems and Brown Sticker conventions are totally prohibited in them.**

**In Category-2 events, Psychic Artificial bids** are prohibited in qualifying rounds where as **Psychic Artificial opening bids** are prohibited in KO stages.

**Please note that as of January 1st, 2025, the use of a written defense against the Multi 2Diamonds (or 2 Clubs) is no longer permitted.**

## **7 Filling up of Convention cards and disclosure of systems**

Fully filled System Card with supplementary sheets, if necessary, must be displayed at the table for all segments of all events. If any team does not have their convention card at the table, they may be penalized.

Players must disclose fully the meaning of their conventional agreements, particularly, conventions and treatments that may require defensive preparation by opposing pairs. In addition to system card, pairs shall use supplementary sheets, where necessary, to achieve this objective. To satisfy the principle of adequate disclosure, the onus is on each pair to prepare for the information of opponents an accurate and comprehensive system card.

Understandings whereby there may be violations of the normal meaning of the call, and where the nature of violation may possibly be anticipated, must also be disclosed in the convention card with full detail in a supplementary sheet, wherever necessary. The understandings may be explicitly agreed, or they may have developed from partnership experience or mutually shared knowledge not available to opponents.

If a player makes use of any conventional call not sufficiently described on his system card (including supplementary sheets), that player's partnership may be subject to a procedural penalty (Law 90) for the infraction and/or to disciplinary penalty as well as to score adjustments to redress any damage. The onus of disclosure is on the user. When there is a claim of damage through inadequate disclosure, the CTD and the Review Committee will give the benefit of any doubt to the opponents.

Normal range of Weak Two opening should be specified and situations where it can be below minimum need to be alerted.

Each pair of every team is required to present at the table two copies of convention cards from the beginning of any event. However, at the beginning of the pre-quarter final knock-out of the Team event, each pair of every team qualified for the pre-quarterfinal shall submit one copy of their convention cards to the CTD, before the commencement of pre-quarterfinals. Failure to follow any stipulation of this section may be subjected to penalty at the discretion of Review committee/CTD, in addition to restriction on use of certain methods.

It is mandatory for all the pairs to have in their possession a duly filled convention card at the table. If a pair forgets a convention or resorts to a psyche, and there is no convention card, director is empowered to assume mistaken explanation and may award an adjusted score [Law12C1]. In addition to this the offending pair may not be allowed to use that convention in the rest of the match. Frequent violations of the system, amounts to a private understanding and will be dealt severely.

Failure to follow any stipulation in this section may be subject to procedural penalty at the discretion of CTD in addition to restrictions on the use of certain methods as specified in the BFI system policy. Use of HUM system and/or Brown Sticker conventions in violation of what is permitted as per this SCoC will be penalized.

Partnership may clearly describe their strategy of third hand openings. Third hand subminimum openings are required to be alerted, and lower limit of such opening should be specified very clearly. It is also essential to clarify conditions of such subminimum openings. Consistency in such calls by partnerships is expected.

## **8 Substitutes**

In Team events, if for any reason, a team is unable to produce four players, either at the start of a session or because of an emergency that develops during the session, the CTD may designate a substitute to complete the team. The result obtained by the substitute shall stand unless the Tournament Committee judges that the substitute's bridge skill was considerably greater than those of the players replaced, in which case an adjusted score may be determined. Whether or not the result stands, the Tournament Committee may impose appropriate penalties when it judges a team to be at fault.

In Pairs events, the CTD may make emergency substitution, whenever it is necessary for the smooth running of the game. If this emergency substitution may result in disqualification of any contestant, the contestant shall, where practicable, be informed by the CTD, at the time of the substitution.

## **9 Forfeits in Team Tournaments**

If a team is unable to play or complete a match, CTD may find that team in default and declare the match forfeited. The team in forfeit shall score Zero VP and Zero IMPs for that match. The team winning the forfeited match shall be credited 10 VPs (in new 20 VP scale) initially and all draws will be based on that. At the end CTD in consultation with the Chairman Tournament Committee, may increase the VPs credited based on the overall average performance of the team winning the forfeited match, or credit a higher VP if they consider it to be equitable in all circumstances.

## **10 Withdrawal and walk over**

If utmost necessary, a team is permitted to withdraw only with the expressed consent of CTD after the completion of any Swiss round, or after a direct knock out match but not after the beginning of a match during any stage or in the middle of knock out match. In case a team withdraws without such expressed consent, the members of the team may be disqualified for the rest of the championship by the CTD & the Tournament Committee may also have to face the disciplinary

proceedings by BFI Disciplinary Committee.

Two walkovers by the same team will mean a compulsory withdrawal of that team from the Competition. The Tournament Committee or the Disciplinary Committee may impose additional penalties to the forfeited team.

Walkover should be reported to the director before the start during KO matches.

If any team would like to withdraw during the middle of the event should have proper accepted reasons like physical fitness, serious health problems or any other important practical reasons. However, teams deciding of mutual walk over decisions without the consent of the proper authority will have to face disciplinary procedures.

- **Walkover:** If a team, by its own fault, is unable to play another team, it will score zero VP. Its opponents will receive the best score between: (a) 12 VP using the 20-0 VP scale, or the equivalent according to the VP scale adopted, (b) the teams average (c) the average score obtained by all other opponents against the team at fault, whichever is greater. A second walk-over by the same team will be referred to the Disciplinary Committee which can apply further sanctions including disqualification of the team.

***IMPORTANT: Teams / Pairs giving walk over or forfeiting the match at any of the knockout stage of the team event or finals of the Pairs event will not be eligible for Master Points & ranking points under the BFI ranking Policy. The Tournament Committee has the discretion to award negative ranking points equal to the eligible points at the stage the Team / Pair has forfeited.***

- Not more than 3 pairs of a team will be allowed to play as seeded pairs, when they join from a KO stage to a Pairs elimination round. As the onus will be on the team captain to inform about the 3 pairs being allowed from the team, hence each pair of the team should inform their captain and take his permission before hand about playing with a player outside the team.

#### **17.4 SEATING PRIVILEGES IN SWISS LEAGUE**

In Swiss League, the HOME Team (team shown first in the draw) will sit NS in the OPEN room and the AWAY Team (team shown second in the draw) will sit EW in the OPEN room. It will be reverse in the CLOSED room, where the AWAY team will sit NS and HOME team will sit EW. In case of any dispute regarding seating rights, arising during any match in Swiss League, both the teams will submit blind line-up for the match

#### **17.5 LINE-UPS AND SITTING PRIVILEGES IN KNOCK OUT MATCHES**

For all KO matches in team events (Pre-QF onwards), all teams will have to give their line-up either electronically or on paper as instructed by CTD. In case of electronic line-up, team captains will be given a password for entering their line-up at the captain's meet after end of Swiss league. The line-up should be given minimum 10 minutes before start of the session. Failure to submit line up may attract penalty as decided by the CTD. If the line-up is required on paper, then the captains should report to the director desk for exchange of line up at least 10 minutes before the starting time of the session.

Players should be in their seats by the starting time. Failure on the part of the captain to report to director desk in proper time will attract penalty of 3 IMPs. If the two teams play a session on the same axis despite line up submissions; the session will be treated as void and the match will be reduced to the remainder Number of boards.

In each of the KO matches, Team ranked higher (lower serial number team) will become home team. Lower ranked Team winning against higher ranked team will automatically occupy the higher ranked position to become "Home Team" in further knock out matches. The team which is **Home** team will play as NS in the open room and EW in the closed room.

There shall be a coin toss for exercising the seating rights. The winner of the toss elects in which session it wants to have the seating rights; the opponents then automatically have seating rights in the other session. The team with "Seating rights" will ask their opponents to give their line-up first. In a 4-Session KO, the winner of the toss will have the right to exercise the seating rights for either 1<sup>st</sup> and 3<sup>rd</sup> or 2<sup>nd</sup> and 4<sup>th</sup> segments, which need to be communicated to the CTD before start of the KO match. In case of 3 segments, the leader at end of 2nd segment will have the seating privilege in the 3<sup>rd</sup> segment.

A change of player, pairs or partnerships can be made only at the beginning of the session and no restrictions of any pair playing against another pair apply for any of the sessions of the match.

If there is any pair who uses Brown Sticker conventions, they should be available 10 minutes before the schedule beginning of the match to present their system and answer questions by the opponent.

## **26 Carry Over**

### **26.1 Carry Over – Team Events**

In case of a Direct Knock-out matches (Pre QF, QF, SF, Final & Play off), the Teams will carry forward part of their difference of the Swiss league match, if any, between the two teams. The part shall be one half of the difference in the direct match between teams, if the team that won the direct match finishes higher than their opposing team at the end of qualifying league and one third otherwise, subject to maximum of one fourth of the total boards to be played in that KO stage. So, for a 56 board KO match, the maximum carryover will be 14 IMPs.

### **26.2 Carry Over – IMP Pairs Events**

In case of IMP Pair event, the carryover from qualifying session to the Finals will be one-fifth of the difference between the TOP & the last qualifying pair, subject to a maximum of one-fifth of the total number of boards to be played in the final.

### **26.3 Carry Over – MP Pairs Events**

Carryover for MP Pairs event for each elimination / final stage will be computed as per the formula below:

$C = (M - m) [(Q/E) (AxBxQ)/S)]$  where

C = carryover

B = number of boards played in qualifying session(s)

S = sum of the scores of all qualifiers

M = match points of a given pair

m = match points of lowest qualifying pair

E = pairs entered in the event

Q = pairs to be qualified

A = average on each board in the final session(s)

The maximum carryover cannot be greater than or equivalent to **two boards** score from one elimination round to the next till the final of the event. If the formula determines the high carryover to be above the allowable limits, the formula is abandoned, and the following procedure is

followed: Subtract the low-qualifying score from the high-qualifying score and divide this number into the maximum allowable carryover. The resulting factor is multiplied by the difference of the high qualifying score and the low-qualifying score. Thus, the low qualifier will have a carryover of zero, and the high qualifier will have the maximum allowable carryover.

When a qualified pair is replaced by a reserve pair, the carry-over is computed using the actual score of the reserve pair.

## **26.4 General Rule for giving Carryovers to Seeded Pairs**

*For giving Carryovers for those seeded pairs, who will join in a new elimination round or Final of IMP / MP Pairs, the following formula will be applied:*

**$x = (Q*T) / (T+D)$ ; where**

**T – No. of qualified pairs.**

**D – No. of drop in seeded pairs.**

**Q – No. of the qualifying spots at the end of the current phase.**

**x - Carryover to be given to seeded pair equivalent to the carryover of the qualified pair whose rank is the calculated value (rounded to integer)**

*For e.g. if 60 (T) pairs qualify and 12 (D) seeded pairs join a new Elimination round, and out of these 72 pairs, we want to qualify 32 (Q) pairs for next elimination or final, then  $x = (32*60)/(60+12) = 26.67 \sim 27^{\text{th}}$  position. So, the carryover of the 27<sup>th</sup> position qualifier will be given to all the seeded pairs. Please note, if we would have given the average median value, then we would have given all seeded pairs the carryover of the  $(60/2) = 30^{\text{th}}$  ranked pair. This formula improves the CO position based on the no. of qualifiers in the round.*

## **27 ELIGIBILITY OF MINIMUM PLAY CONDITIONS AND QUALIFICATION**

Each player of the participating teams shall play at least 25% of the played deals to become eligible to play the following next stage of the event. If not, such player will be disqualified from remaining stages of the event.
